4. Click *Change organization*. Enter your 6-digit facility CCN (Medicare number) in the Search box. Click on your facility name.

A screenshot of a web interface showing a dropdown menu for "Change organization". The current selection is "Network 11". Below this, there are two buttons for "Select application": "EQRS/CROWNWeb" (highlighted in blue) and "REMIS". At the bottom, there is a search box with the placeholder text "Search organization by CCN or DBA name:" and a "Search..." input field.

5. Click *CROWNWeb SUI* in the upper right corner.

A screenshot of the EQRS "My access" page. The top navigation bar includes "EQRS", "Dashboard", "Facilities", and a "Change organization" dropdown. A user profile for "Alexandra Bailey" is visible in the top right. The main content area is titled "My access" and contains two cards: "CROWNWeb" and "QIP", each with a "View access" link. A yellow circle highlights the "CROWNWeb SUI" link in the top right corner of the page.
