Learner Outcomes

Following the program, the participant will be able to:

- Self-report on the evaluation how they will change their practice as a result of knowledge gained during this activity.
- Self-report increased confidence in preparing for the Nephrology Certification exam (if applicable).

Target Audience

Nephrology nurses preparing to take the certification exam. It is also a great review for any nurse currently working in a nephrology care setting wanting more knowledge on kidney disease processes.

Purpose

This exam review course will provide a comprehensive overview of nephrology nursing, including concepts of kidney disease and treatment modalities to enable individuals to prepare for certification in nephrology nursing.

Cancelation

Note: Cancelation within 24 hours of the event may result in loss of registration fee.

Contact Hour Information

Participants earn 14 contact hours.

St. Cloud Hospital/CentraCare Health is an approved provider of continuing nursing education by the Wisconsin Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

St. Cloud Hospital has been approved as a provider by the State of Minnesota Board of Social Work - CE Provider Approval #CEP-77.

It is the personal responsibility of each participant to determine whether this activity meets the requirements for acceptable continuing education by their licensing organization.

To earn contact hours, participant must attend all sessions and complete an online evaluation.

Faculty

Lynda K. Ball, MSN, RN, CNN, has been a nephrology nurse for 32 years and nationally certified for 26 years. She earned her BSN from Penn State University and her MSN in Education from Walden University. She is a member of the American Nephrology Nurses Association (ANNA), the National Kidney Foundation (NKF), and the American Association of Kidney Patients (AAKP). She served ten years on the ANNA Board of Directors and is currently President.

Lynda is a national and international speaker on vascular access and quality improvement. She has chaired the national nephrology nurse certification review course annually for the last 12 years at the ANNA national symposiums and teaches the hemodialysis portion of the review. She has presented several certification review courses for local ANNA chapters in Ohio, Texas, California, Wisconsin, New Jersey, and Washington.

Lynda has worked in all modalities, including the Quality Improvement Director, nephrology case manager, and provider educator. She was also an instructor at a technical college hemodialysis technician program for five years. She has published over 45 articles on vascular access, quality improvement, and disaster preparedness in various peer-reviewed nursing and physician journals and has won three education writing awards from the *Nephrology Nursing Journal*. Lynda is a member of the Editorial Board for the *Nephrology Nursing Journal*. She is currently the Quality Improvement Direct for ESRD Network 13 (Oklahoma, Louisiana, and Arkansas).
